

## Kaimai School Bus User Code of Conduct

This code of conduct is an agreement between \_\_\_\_\_, Kaimai School, the child's parents/ caregiver and Bayline Buses.

The Caregivers and the student should ensure that they have read and understand this document which is to be adhered to for the safety of the bus driver and all of the students traveling on the school bus

I \_\_\_\_\_ (student) agree to abide by the behavioural expectations described below:

- When I am a seated passenger I will remain in my seat for the whole journey
- I will not eat or drink on the bus
- I will not throw anything inside or out of the bus
- I will respect other students and their property at all times (this includes pushing, verbal or physical abuse, or any other behaviour that might disturb the driver).
- I will use polite language when talking to the bus driver and / or other children and I will not speak at a volume that might distract the driver.
- I will respect the property of the bus owner by not standing on the seats, littering or causing any damage to the bus.
- I will not do anything that might endanger the driver or children on the bus.
- I will follow directions given by the bus driver/ monitors and the bus duty teacher
- I will let my parents and teacher know immediately if I have any problems on the bus
- I understand that any damage I cause to the bus will result in my parents being billed for the cost of repairs

The safety and comfort of everyone on the bus depends on a standard of behaviour and consideration for others that is expected in the classroom. We hope that caregivers will support the school in maintaining these standards of behaviour.

### If this code of conduct is broken:

- The student will be placed on daily report for one week and the caregiver will be notified immediately
- If no improvement is evident after one week, an interview will be arranged between the student, caregivers and the school.
- If there is still no improvement, travel on a school bus will be withdrawn and the caregiver will be required to find alternative transport to ensure they are meeting their legal obligation to get their child to school.
- In extreme cases of misbehaviour the privilege of traveling on a school bus could be withdrawn immediately

I agree to abide by the conditions of this 'contract' and understand the consequences if I do not.
